**NOTICE OF PUBLIC INPUT OPPORTUNITY  
TO RESIDENTS ADJACENT TO  
PROPOSED BIKE LANES**

The District of Oak Bay Municipal Council is considering the following options for implementing bike lanes in two areas of Oak Bay:

1. Completing the bike lane on the east side of Foul Bay Road between Lansdowne Road and Mid Downe Road.
2. Creating bike lanes on Cedar Hill Cross Road west of the entrance to the University of Victoria to connect with the District of Saanich's bike lanes that end at the Oak Bay border.

An opportunity for public input with respect to the proposed bike lanes, which would impact parking in those areas, along with other suggested changes for the Lansdowne Road / Foul Bay Road intersection to accommodate cycling traffic, has been scheduled for:

Date: July 12, 2010 Committee of the Whole Meeting  
Time: 7:30 p.m.  
Location: Council Chambers, Oak Bay Municipal Hall, 2167 Oak Bay Avenue

Interested persons wishing to provide input may do so either by attending the public meeting noted above, or by delivering written submissions to the undersigned at The District of Oak Bay, 2167 Oak Bay Avenue, Victoria BC, V8R 1G2 no later than 4:00 p.m. on July 8, 2010.

Further information and materials related to the above noted proposals may be inspected prior to the Committee of the Whole meeting between the hours of 8:30 a.m. and 4:30 p.m., Monday to Friday, excluding holidays, from June 30, 2010 to July 12, 2010 inclusive, at the office of the Municipal Clerk, Oak Bay Municipal Hall, 2167 Oak Bay Avenue, Victoria, B.C.
